By F S Billings

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The name of this work does not give a wholly adequate idea of its scope. It is a review of social economics, and philosophic It is a review of social economics, and philosophic systems of thought, metaphysical, religious, and utilitarian. It is a work that will probably provoke a great deal of curiosity and discussion on account of the daring reasoning of the author. He is a man of scientific training, and of very pronounced materialistic views. His especial field in natural science is apparently biology, and it is upon deductions made from the phenomena of this science that his review of the different factors entering into religion and sociology is based. It is a novel and suggestive work of considerable social importance for its honest thinking and philosophic emphasis of the anti-social character of the extreme evolutionary school of individualistic politico-economic thought. The author is an ultra individualist and materialist, and he accepts the logical conclusions of the individualist philosophy of life without any intellectual hypocrisy or cant. His work is therefore of importance tq thinkers of...
