SIMON SCHUSTER, United States, 2007. Paperback. Book Condition: New. Preston McDaniels (illustrator). Reprint. 190 x 130 mm. Language: English . Brand New Book. Here s what you need to know about Phineas L. MacGuire, boy-scientist extraordinaire, aka Mac: 1. He s allergic to purple, telephone calls, and girls, and can prove it. 2. He s probably the world s expert on mold, including which has the highest stink potential. 3. He does not have a best friend. He does, however, have an un-best friend, who he does not -- repeat, not -- want to upgrade to best friend status. But disaster strikes when his teacher pairs Mac and his un-best friend together for the upcoming science fair. Worse, this un-best friend wants the project to be on dinosaurs, which is so third grade. Worse still, it seems as though everyone else in his class finds the un-best friend as unlikeable as Mac does. But, being a boy-scientist, once Mac notices this, he just might have to do some investigating.
