Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Surgical Treatment of Facial Neuralgia Reference to the list of published writings on the subject which is given at the end of this work will prove how numerous, yet how widely scattered they are. Professor Krause s valuable monograph, published in 1896, is, however, the only one which gives at all a complete review, and it is largely occupied with questions relating to the physiology of the fifth nerve. I have only briefly discussed these points, with the view of confining the present account to practical details. Considerable difference of opinion still exists as to the best forms of operation for facial neuralgia. The hope of providing a clear account of a complex and difficult subject, and of making it more simple is the chief reason for this work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
