Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Latin Composition: An Elementary Guide To Writing In Latin. PREFACE. THIS book completes the series of preparatory text-books announced by the present editors. It has been prepared with a view to furnish a sufficient amount of study and practice in Latin composition, during the last year of preparation for college, and the first of a college course. It supposes in the learner a fair acquaintance with the language, gained by the reading of the usual authors and the careful study of grammar and notes, with some elementary practice in writing, at least as much as that given in the Method, to which this is intended as a sequel. Latin Composition, so called, has often been taught solely by the use of detached sentences illustrating the various constructions of syntax, translated out of Roman authors, to be re-translated into the original form. We are persuaded that, however serviceable this may be to give a certain mechanical familiarity with the formal rules of Grammar, it is not a good preparation for composition, in the sense that properly belongs to...
