CURED MY CANCER: HOW I CURED MY STAGE 4 MULTI ORGAN CANCER AT HOME

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I was rapidly dying from stage 4 Liver Cancer Metastasized into my Pancreas and Left Kidney. My body was shutting down and I was sick and weak. Faced with a certain death, my wife and I were researching to find something. anything to get this mess out of me! We researched all over the world, examining each treatment and mainly the cure claim percentage rate! We bought books and books but most were simply repeats of various alternative protocols and no doubt many worked. However, the highest survival rate of anything we found for me at my late stage 4 multi-organ cancer was a strong combination of SALVES - an amazing Drawing Salve and a powerful Antibiotic salve. These salves were used with an astounding success rate in some societies and were available in the USA through American Indian formulas. We read everything we could on the Salves and weighed this against all other treatment methods. Since the salves were used in some countries as a cancer treatment and we had networked with many that used the salves with success, we prayerfully considered all information and were convinced we had the right thing, so - my wife and I went forward uncertain and somewhat fearful. We applied the Salve on a spot on my back that had itched for years. The next day I had a black opening that was nickel size. The photo on the left is about 3 1/2 weeks into my cancer extraction using the salves. The Salve advanced into my body drawing pints of dissolved cancer cells in just 7 weeks. The right photo was the start of the 7th week...
