Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Today s Church is in desperate need for messages that equip you for spiritual growth to occur. The teachings in Is It True Church are growth waiting to happen. Pamela says, The Church has had enough powder puff feel good messages, crazy stunts to fill pews, and false offerings before the Lord. It is time to stop treating the Pulpit as if it were a circus arena. It is also time to stop preaching that God s Word is some type of open window of heaven materialistic extravaganza. These things skew the message of blessings, hope, grace and the glory of God. It is easy to understand how the judgment begins with the Church first. Churches have been warning about the times we are currently in. When the rubber met the road, most of the Church cowed down. For the past few years, I have witnessed the Church being bruised by the world because it is not Word, Power and Knowledge ready. Why? False Identity. If you don t know who you are in Christ, you won t have a leg to stand on or rock to throw. When you know who you are in Christ, you walk with a humble confidence wearing an armor only God can provide! Stand up Church, it s time to become David s and face the giant!.
