What reviewers say-- A treasury indeed, this book has 179 excellent color photographs of quilts in patterns most favored by Amish women in Ohio, Indiana, and Lancaster and Mifflin Counties in Pennsylvania, before 1940. -- American Quilter A chart showing distinctive features of Amish quilts, comparing the color, fabric, and quilting techniques of various communities, is included. Recommended. --Library Journal It s a book to return to often for inspiration and even meditation. --The Chattanooga Times All quilts in the book are shown in color, the quality of which is excellent.
