

In Focus: National Geographic Greatest Photographs (Hardback)

By National Geographic Society

National Geographic Books, United States, 2004. Hardback. Book Condition: New. 264 x 257 mm. Language: English . Brand New Book. National Geographic Greatest Portraits tells the story of portrait photography through the eyes - and words - of five accomplished National Geographic photographers. The book showcases images never-before-seen alongside award-winning favorites. New and fascinating text reveals photographers individual experiences photographing people and their evaluation of NG portraits produced during each decade - from the late-19th century until today. In Focus opens with a beautiful and surprising look at National Geographic s contribution to the knowledge of the world s peoples through photography. Five chapters follow, each spanning approximately two decades and covering an era in world history and photographic style. The chapters are: Before 1930 (Exploring the power of photography), 1930s-1940s (The Great Depression and World War II), 1950s-1960s (Bright colors and perky smiles), and 1970s-1980s (Back to realism), and 1990s-Present (Everything is relative). Each of these chapters is a portrait of the world.
