

## It All Adds Up

By Saul Bellow

Penguin Books Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Bellow was America s writer, and in this superb collection of nonfiction essays he demonstrated his vigilance of and loyalty to his country over a span of 45 years. From his earliest piece, a war report from Spain written for the Partisan Review (1948), to his Nobel Prize lecture (1976), to a Forbes article entitled There Is Simply Too Much To Think About, Bellow was consumed by the idea of America - so great, so accomplished, so magical - destroying its soul.
