He engaged himself actively in economy, political philosophy, psychology, and epistemology. The Royal Swedish Academy of Sciences awarded Professor Hayek the Prize in Economic Science in Memory of Alfred Nobel for 1974 together with Professor Gunnar Myrdal for their pioneering work in the theory of money and economic fluctuations and for their penetrating analysis of the interdependence of economic, social and institutional phenomena 1. But his contribution does not limit only to economic. Hayek developed his seminal explanation of business cycle based on classical macroeconomic theories of Knuth Wicksell and Ludwig von Mises. Theirs ideas are briefly presented in the first part of Chapter I. Further it will be discussed the essence of the theory of business cycle in terms of production...
